## 2021 Cordyline Rosé

### The Vintage

The 2021 growing season was highlighted by a cold, dry winter. The majority of rain came in one storm. Colder temperatures arriving later than normal led to smaller clusters with incredible intensity. Although there were reduced yields, the payoff of flavor in the berries was a huge payoff. There was idyllic temperatures just prior to harvest, with cooler temperatures than normal allowing the grapes to take their time to reach full ripeness.

### The Vineyards

Tempranillo fruit is from Jackie's vineyard located Arbor Rd. in the Templeton Gap AVA and the Grenache was harvested from Hoyt Family Vineyard in Willow Creek AVA. Both vineyard sites are located on the West Side of Paso Robles.
