Where Passion Meets Perfection

Our Wines + Your Moments = Great Memories[©]

2023 Blanc de Franc

The Vintage

The 2023 vintage was the coolest since 2011, with two significant rain events delivering over 200% of the usual annual rainfall. After years of drought, this helped regenerate the vines and increase fruit production. The cool climate delayed dormancy and ripening, but by October, warmer weather and a halt in rain allowed the fruit to ripen perfectly. Despite a decrease in yield from the prior drought years, the conditions ultimately led to an ideal harvest.

The Vineyard

Bloch Vineyard, located in the Geneseo District at 1,080 ft. elevation, benefits from calcium-rich soils and a 25°F diurnal shift from the Templeton Gap. Its one-acre site features northwest/southeast exposure and fault-driven uplift. Although not certified, the vineyard is farmed using organic and sustainable practices.

The Winemaking Process

Blend:	100% Cabernet Franc	Brix:	24.6
pH:	3.6	Alcohol:	13.8
TA:	7.0g/L	Bottled:	February 1, 2024

Fermented and aged in stainless steel after an extremely gentle press and fractioning.

Tasting Notes

Our 2024 Blanc de Franc transports you to a sun-kissed orchard, where ripe peaches and nectarines are freshly picked from the tree. Those same vibrant stone fruit notes carry through on the palate, offering a refreshing and lingering flavor experience. Best enjoyed well-chilled, this wine delivers a crisp, fruit-forward profile that's perfect for warm days or casual sipping with friends.
